4. Objectives

The objectives of Stichting JJ Theatre Days are:

To develop, produce, and disseminate theatre and drama education, with a particular focus on young people;

To promote freedom of expression, social cohesion, and human rights through art and education;

To support projects in (post-)conflict areas, with a specific focus on the Palestinian territories;

To build, manage, and make accessible a sustainable archive;

To stimulate international collaboration.

The foundation operates exclusively for the public benefit and does not pursue profit.

5. Outline of the Policy Plan

Three pillars:

- a. Artistic and educational programs
- b. (Inter)national collaboration and support
- c. Archive and knowledge development (2025–2029)
